Aileen Morris Norton

Hailstone

Morris

Aileen Morris Norton returned to her Heavenly Home on Wednesday, Jan. 2, 2002, following a courageous, lifelong battle with diabetes.

Born May 25, 1926, in Elkhorn, (Hailstone), a daughter of Joseph H. and Nile Allison Morris. Aileen married her sweetheart, Howard Norton, on June 13, 1945. Their marriage was later solemnized in the Ogden LDS Temple. Aileen was raised on the Morris family ranch at Hailstone, (currently under the waters of the Jordanelle Reservoir). In her youth she spent many fine wonderful days working on the ranch with her family, brothers and cousins, tending to the cattle, horses and sheep. Aileen will be remembered for the many quilts and afghans she made for her family and friends.

Survived by one adopted daughter, Linda (John) Hansen, of Missouri; one adopted son, Dale (Jeanette) Norton, North Ogden; four grandchildren and five great-grandchildren. Aileen is also survived by one brother, Lee (Leila) Morris, Orem, and a special friend, Nelson Brown and his family, who served her every need. Preceded in death by her husband, parents, and one brother, Bob Morris.

Special thanks to all the kind staff at Mt. Ogden Nursing Center, especially her friend Pat Brown. We love you Aileen—we will miss you.

Funeral services were held Saturday, Jan. 5, at the Washington Terrace Fourth Ward Chapel. Interment was in the Heber City Cemetery.
